

NEW!

Decodable Readers

Practice phonics and high-frequency words in context, while nurturing a love for reading.

Provide students with portable versions of fiction and nonfiction titles that offer authentic practice with phonics skills and sight words. Crafted with care to ensure ease of reading, these familiar story lines encourage students to make reading a habitual practice, while facilitating a self-reliant, enthusiastic approach to reading.

Correlated to Letterland!

Our large selection of Decodable Readers:

- Encourages students to “blend” and not guess unfamiliar words
- Helps students experience immediate success
- Reinforces phonics skills taught in the classroom within the context of a story
- Helps students make sense of phonics: we learn phonics in order to read fun books
- Enables students to experience the joy of reading independently!
